# COPE

A Mansfield Youth Services program

## For children learning to COPE with family stress

Parents/Guardians:

Is your child experiencing stress at home? Could he/she benefit from a positive experience in the school-setting with other children who may have had similar experiences? If so, COPE may be able to help!

### What is COPE?

Cope is a skill-building program run by Youth Services in the school that has successfully supported students in our community for over 20 years!

- COPE fosters a supportive environment where your child will have fun and at the same time learn new coping skills.
- COPE offers your child a chance to make new friends.
- COPE will help your child understand there are many types of families.
- COPE is about helping your child build self esteem and positive communication skills.

COPE meets once a week during regularly scheduled lunch times through out the school year so your child will not miss class time or recess.

Space is limited and participation is based on the child's appropriateness for the program.

If you are interested in having your child participate, please fill out the permission slip on the reverse side and return it to the school psychologist by Tuesday September 24th.

If you would like more information about COPE, please contact Mansfield Youth Services:  
Kate Bohannon: 860-429-3318 [BohannonKM@mansfieldct.org](mailto:BohannonKM@mansfieldct.org)
